**CAUTION:** Do not exceed the stated recommended daily dose. Food supplements should not be used as a substitute for a varied and balanced diet and a healthy lifestyle. Keep out of reach of children. For adults only. Vitamins can only be of assistance if the dietary vitamin intake is inadequate. The recommended daily amount of Vitamin A from all sources is 700 micrograms retinol equivalents for women and 900 retinol equivalents for men. This product contains selenium which is toxic in high doses. A daily dose of 150 micrograms for adults of selenium from dietary supplements should not be exceeded. Contains fructose.

Food supplement in powder form with vitamin B<sub>1</sub>, vitamin B<sub>2</sub>, vitamin C, vitamin E, provitamin A, the trace element selenium and dietary fibre. Flavour: orange.

With sugar and sweetener.

Sweetener: Steviol Glycosides from Stevia of vegetable origin.

When taken in excess of 3000 micrograms retinol equivalents- Vitamin A can cause birth defects. If you are pregnant- or considering becoming pregnant- do not take Vitamin A supplements without consulting your doctor or pharmacist.

**PREPARATION:** add 180 ml of still water to the content of this bag of powder (12 g).
